

SESHA's 2020 Symposium is going Virtual!

Limited Sponsorship Opportunities are Available

The **SESHA Annual Symposium** brings the global tech community together and showcases the latest innovations in the ES&H industry.

The 2020 event is now Virtual and will reach a broader international viewership than ever before! It will take place in weekly three-hour courses from May 13 – August 5. Each course features multiple expert speakers on a specialized topics and participation from attendees.

SESHA is offering a limited number of sponsorship opportunities for this series of online educational courses for our more than 1,600+ members from all over the globe. Gain exposure for your organization's products and services by reaching directly to the most comprehensive audience in the field.

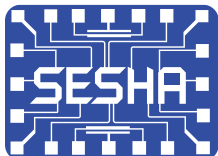

All sponsor content will be available on both the live and recorded sessions hosted on the SESHA website for all registered virtual symposium attendees.

Thanks to our leading-edge partners, SESHA remains on the forefront of the ES&H industry. Do not miss out on this opportunity to reach your target audience!

The cost will be \$500 and as a sponsor your organization will receive –

- Sponsor logos on the first and last slide of all 13 weeks of courses
- Sponsor logos on the email marketing campaign
- Sponsor logos with weblink on symposium landing page
- Sponsor tags on social media posts
- Opportunity for your organization to host a one-time 2-minute presentation between sessions (*on date/course of your choice based on availability*)
